

SPONSORSHIP OPPORTUNITY

The SLJH Spartan Orchestra is asking your help in bringing music to life for our program. To meet all of our exciting goals, we need your help to raise funds to cover the additional costs of a truly successful program. Travel to competitions, awards, clinicians, and sheet music are just some of our annual expenditures. Please consider making a donation to help with the cost of these items.

Whether your student is an accomplished orchestral musician or is exploring instrumental performance for the first time, these important components not fully covered by the school district will allow all participants to have the best possible experience.

There are so many ways for you to help. Of course your time in volunteer positions is invaluable, and I encourage you to become involved in any way you can! Another way to help is to become a supporter with your donation. Various supporter levels range from \$25 to \$1000 or more. If your business or employer would like to support the SLJH Orchestra program, I'd enjoy speaking with you! Orchestra sponsor levels offer great promotional benefits which will reach many families in the Katy/West Houston area. Please contact me with prospective supporters and I'll make sure they get the information. Thank you in advance for your generous donation.

All donation levels include recognition in all programs for concerts, as well as on our webpage!
